

# CIRSA

# ONLINE TRAINING

*As a CIRSA member you have access to an extensive array of free online training courses on a wide variety of safety topics. Conveniently available at any time for employees with busy schedules.*

It is our goal to provide Colorado municipalities with the knowledge, guidance, and resources they need to effectively manage their risks. We have partnered with LocalGovU to offer members free access to over 950 online courses on topics of safety, liability, management, law enforcement, fire/EMS, defensive driving, health & wellness, corrections, human resources, and much more.
