Streaming Video Service:

CIRSA rolled out a new streaming video service a couple of months ago. This service, separate from the Lexipol Online Training system, provides CIRSA members with yet another method of providing safety and health training. If you desire to check out this system, please contact Channa at channac@cirsa.org.

Hard Copy Resource Recommendations:

Not a fan of online training? CIRSA's Training Library is still active. We are taking great care to ensure that returned videos are properly cleaned prior to being sent to members. We ask that you do the same before returning them to us. The topics below represent CIRSA's most requested DVD & other "hard copy" video requests including:

- Confined Space Entry
- Slips Trips and Falls
- Harassment in the Workplace
- Sexual Harassment
- Back Safety
- Chlorine Safety
