

LAW ENFORCEMENT RESOURCES

CIRSA has contracted with the following services and wellness assessment programs to provide Law Enforcement officers the necessary tools to tackle mental and physical health.

CORDICO Wellness App

CORDICO is the world leader in wellness technology for high-stress professions providing 24/7 proactive and preventative wellness support specially developed for law enforcement. The CORDICO App provides handheld access to a multitude of self-service mental health and wellness assessment programs. Information for enrolling in the program can be found on our website.

Brower Psychological Police & Public Safety

Brower Psychological Services (BPS) was developed to provide a specialized understanding of the psychological factors of working as a First Responder and the consequent impacts upon their families and personal lives. BPS clinicians offer a vast amount of evidence-based treatment modalities to treat even the most complex mental health issues and co-occurring conditions. This service is intended to provide two sessions to CIRSA member Law Enforcement officers to assist in mitigating and stabilizing sensitive situations.

SIGMA Tactical Wellness

SIGMA Tactical Wellness has developed a comprehensive cardiac laboratory screening evaluation along with an individualized nutritional and exercise prescription to better the overall health of Law Enforcement officers. Through its screening strategies, SIGMA aims to identify and prevent early stages of heart disease as well as other well-known health risk factors such as diabetes, high blood pressure, sleep disorders, and significant musculoskeletal issues (chronic back, knee, hip pain).

Peace Officer Personal Liability Coverage

Effective January 1, 2021, CIRSA will indemnify a covered peace officer for personal liability up to \$25,000 each officer/claim and \$100,000 annual aggregate per member. This coverage was put into place in response to Senate Bill 20-217. Please review the terms and conditions that apply to this coverage.
