

CIRSA ABUSE RISK MANAGEMENT SEMINARS

FEATURING **JAMIE FRAY** PRAESIDIUM, INC.

Praesidium's abuse prevention training is an interactive onsite workshop for personnel in Risk Management, Community or Human Services, Aquatics, Emergency, Human Resources, City Attorneys, and Libraries. The workshop covers screening and selection, best practices in abuse risk management, and preventing adult-to-youth and youth-to-youth sexual abuse in your entity's programs. You will receive practical instruction on best practices, participate in a facilitator-led discussion that reinforces key teaching points, and strategize solutions for your program!

As a participant, you will learn:

1. The Scope of the Problem and Types of Abuse
2. How Offenders Operate
3. How to Recognize Red-Flag Behaviors Between Adults and Youth
4. Preventing Adult-to-Youth Abuse
5. Preventing False Allegations
6. Identifying Youth-to-Youth Abuse and Sexualized Behaviours
7. How to Manage Higher-Risk Situations
8. How to Respond
