SESSION

# CIRSA New Member Orientation

Presented By:  
CIRSA Management Team

## TO JOIN

To participate in the virtual Q&A session, please [RSVP](#) and we will send you a link to Microsoft Teams.

## WEBINAR OVERVIEW

CIRSA will post pre-recorded presentations in advance of the Q&A session to the [New to CIRSA](#) area of our website which will provide an overview of the coverages and services we offer. We encourage you to tune-in on October 18, 2023 to ask us any questions you may have about the presentations or any other CIRSA matters.

## WHO SHOULD ATTEND

The presentations are designed for new member employees or those who were recently assigned the role of a CIRSA contact, however, all members are welcome! Please join us for the Q&A if you:

- need a refresher course on CIRSA programs
- have questions about our services or need information
- have requests, concerns, comments, or feedback

## TOPICS COVERED

Topics for the pre-recorded presentations will include:

- CIRSA's services, mission, website, and other communication tools.
- Insurance coverages and limits, application processes, certificates of insurance, and property appraisals.
- Claim reporting, investigations, loss analysis reports, and the litigation process.
- Financial rating process, billing procedures, financing options, and contribution credits.
- Legal issues, governmental immunity, and the Liability Hotline.
- Loss control standards program, property surveys, industrial hygiene services, and safety training programs.
