

REGIONAL SEMINARS

LAW ENFORCEMENT ROUNDTABLES

Police departments nationwide are seeing unprecedented judgments and settlements in police liability cases. This trend has intensified in Colorado with the passage of recent legislation, which expands police liability under state law. CIRSA's regional Law Enforcement Roundtables aim to arm you with knowledge and techniques to mitigate this risk for you and your municipality. These seminars are facilitated by some of the State's top defense attorneys specializing in law enforcement liability claims, and they provide a rare opportunity to ask questions in a safe space and discuss how best to handle the multitude of challenging situations you and your fellow officers face daily.
