

## SIGNATURE SERIES (CS2): **INTERPERSONAL SKILLS**

Interpersonal Skills is a dynamic half-day training offered as part of CIRSA's Signature Series (CS2). Designed to be highly interactive and practical, this seminar focuses on strengthening the everyday skills that drive effective communication, collaboration, and leadership — skills that are often overlooked. Applicable to employees at all levels and across all departments, this session connects real-world scenarios to immediately usable strategies participants can apply at work and beyond. Topics include:

- Improving and Understanding Learning & Communication Styles
- Time Management
- Leadership Skills
